I WHAT PARTICIPANTS ARE SAYING

We asked in a survey what participants enjoyed most about CSM. Here are some of their answers:

"Having fun and learning about God."

"Playin' with coach."

"The relationships I made with my coaches and peers."

"Playing games and working together."

"The encouragement of the coaches and teammates."

I WHAT COACHES ARE SAYING

*"The beauty and brilliance of this year's Forge season was **watching our club name made manifest in relationships**. Any measure of success we had between the lines came wholly from the forging of deeper bonds and connections, through our mettle being tried, tested, and hammered out in relationship. The boys owned their identity this year as young men willing to brave the fires of vulnerability, and God has blessed them with rich friendship. As a coach, that's worth its weight in gold and far surpasses anything that happens on the pitch."*

- Coach Jelly, U15 Forge Coach

*"As a coach, it's really great to see players working on a game plan or drill that's not really working out, but as soon it does, the player's eyes light up, like a lightbulb, because they were finally able to figure it out or because they did what I asked of them and it worked. It's really incredible to see and we had a lot of **'lightbulb moments'** this season."*

- Coach Tony, U13 Forge Coach

*"I was able to **create relationships** with the players, which is so important so that they know we're there for them. And, we were able to share with them about God."*

- Coach Elma, Summer Camp Eastlake girls
